À La Carte Flower Service

For couples who want extraordinary flowers without the extraordinary fuss.

Not every celebration needs elaborate installations or a team of designers on-site. Sometimes you just want gorgeous, fresh flowers that speak for themselves—bouquets that make you smile, centerpieces that spark conversation, and the confidence that comes from working directly with the farmers who grew them.

Our à la carte service is designed for couples who know what they want: spectacular flowers from our Ashland fields, professionally arranged, at prices that make sense. No complicated consultations, no overwhelming choices, no decorator markups. Just the flowers you need, grown with care, and arranged with expertise.

How Our À La Carte Service Works

Step 1: Choose Your Essentials

- Select from our menu of personal flowers and arrangements:
- Bridal bouquet (small, medium, or large)
- Bridesmaids' bouquets (how many you need)
- Boutonnieres and corsages
- Centerpieces (we'll help you calculate quantities)
- A few statement arrangements for your ceremony or key spots

Step 2: Share Your Vision

Tell us your color story—blush and cream, vibrant wildflower, classic white, autumn warmth—whatever speaks to you. Share any flowers you especially love (or absolutely don't want). If you have inspiration photos, wonderful. If not, trust us to create something beautiful.

Step 3: We Take It From Here

We're not just fulfilling an order—we're sharing our harvest with you. The week of your wedding, Carl and I will walk our fields selecting the perfect stems, considering what's at peak bloom, what combinations will photograph beautifully, and what will make you happiest. Your flowers are chosen by the same people who planted them, tended them, and watched them grow.

À LA CARTE FLOWERS *How It Works*

We've created this packet to make the process as straightforward as possible. If questions arise during the process and the answer isn't covered here, please don't hesitate to reach out and ask.
